

SERVING MORE THAN MEALS -

Serving Ubuntu

NELSON MANDELA DAY

18 JULY 2026

I am because you are. This Nelson Mandela Day, every meal shared is more than food – it is an expression of care, a gesture of Ubuntu, and a reminder that when we come together, we nourish more than bodies; we nourish community.

This Mandela Day, enjoy a traditional South African-inspired meal and take a moment to contribute to our Ubuntu Wall by sharing a message of appreciation for someone who has made a positive impact in your life.
